Sure, feel free to ask as it might be of interest to others, but it will be EPA that asks. Talk to you soon.

Jenny,  
Thanks, I wasn't sure if EPA requests it or in this case USBR. This is one of my questions for the call.

Todd

I haven't sent one, and will definitely let you know ahead of time. I'm a little behind on the Grand Coulee dam permit, but expect to have something in the next week or so. We can discuss briefly on the call, too, if you'd like.

Hi Jenny,  
Do you know if a request for certification has been submitted to the Colville Tribes?

Thanks,

*Todd*
